CANCELLATION AGREEMENT

As per my lease with Radalink, Inc., **Master Equipment Lease, ARTICLE II – TERM ...**
“Either the Lessor or the Lessee may terminate this Lease at any time by giving the other party thirty (30) days written notice of the intent to terminate the Lease.”

Please consider this my written thirty (30) day cancellation notice.

ARTICLE VIII - INSURANCE

“The Lessee shall keep the Equipment [the radon monitor(s)] insured against all risks of loss or damage from every cause whatsoever for not less than the full replacement value thereof as determined by the Lessor. The Lessee shall carry public liability and property damage insurance covering the Equipment. All said insurance shall be in the appropriate form and amount and with companies approved by the Lessor, and shall be in the joint names of the Lessor and Lessee, or shall list the Lessor as Loss Payee. The Lessee shall pay the premiums therefore and shall deliver a duplicate of said policies to the Lessor. Each insurer shall agree, by endorsement on the policy issued by it or by independent instrument furnished to the Lessor, that it will give the Lessor thirty (30) days written notice before the policy in question shall be altered or cancelled. The proceeds of such insurance shall be applied to the replacement, restoration or repair of the Equipment. The Lessee hereby appoints the Lessor as the Lessee’s attorney in fact to make claim for, receive payment of, and execute and endorse all documents, checks or drafts for loss or damage under said insurance policy. The value of the AirCat is one thousand, eight hundred and 00/100 dollars (\$1,800).”

Please ship the monitor back to Radalink in the original box, or in a suitably padded replacement box. If you received your monitor in a hard-shell carrying case, then the monitor can be returned in that case by zip-tying the front corners of the lid closed using the holes provided, and affixing a shipping label to the outside. Lost or stolen hard-shell cases will be billed to your account as a \$79.95 charge each plus shipping.

It will be your responsibility (and expense) to return the equipment to Radalink.
